About Me

Hi, i'm **Mohammad (Nikan)**.

A 25 Years Old Graphic Designer, I born & Living in Mashhad, Iran
I've started the graphics journey much earlier at 2016 or 2017 ...

However, I trying to improve my skillsevery day .

(I'm looking forward to becoming a professional Intraction/UX Designer :))

SUMMARY OF QUALIFICATIONS

- Multidisciplinary Graphic Designer with a strong academic background and a deep interest in the intersection of computer graphics, coding, and technology.
Passionate about exploring digital color spaces, computational design, and AI-driven image processing, as well as advancing user interaction and experience in design. Enthusiastic about integrating computer hardware and electronics into creative practices to push the boundaries of digital media. Known for applying a critical and analytical mindset to design processes, combining creativity with problem-solving and research-oriented approaches.
- Proven interpersonal skills, with the ability to work efficiently both as a team player and independently.
- Passionate about challenging problem-solving and capable of delivering high-quality work under pressure with tight deadlines.
